## Journal of Hand and Microsurgery

Official Publication of Society of Indian Hand and Microsurgeons

ISSN: 1304-2580

Volume: 15

Issues Per Year: 4

### Editor-In-Chief(s):

J. Terrence Jose Jerome

Journal of Hand and Microsurgery (JHAM) is the official journal of the Society of Indian Hand and Microsurgeons. JHAM's mission is to advance the medical science and practice of hand and reconstructive microsurgery through education, research and advocacy on behalf of patients and practitioners.

The journal welcomes submissions from authors across the world. Original and review articles, point of technique articles, and case reports related to the understanding of diseases, diagnosis, and management of the upper extremity disorders, brachial plexus injuries, congenital hand problems, hand trauma, fractures, tumors, burns and reconstructive microsurgery would be considered for publication. The journal rigorously follows double-blinded peer review of the submitted articles and the selection of the articles is based on the reviewer's evaluation of the academic merit of the presented clinical content.
