# An Advanced Companion for Complete Cleft Care

Cleft Orthodontics: A Holistic and Interdisciplinary Approach is a definitive attempt to bring forth a carefully integrated perspective on the specifics of cleft orthodontics and the underlying philosophy behind a holistic, interdisciplinary approach, which forms the very essence of comprehensive cleft care.

## Key Highlights

- Thirty-six chapters grouped into ten sections encompassing the panorama of cleft orthodontics, interdisciplinary care, and recent trends
- An authoritative textbook supported with real-life cases treated with various appliances and techniques which are reinforced with illustrations, graphics, and flowcharts
- Internationally accepted protocols complemented with innovative and simple approaches to deal with a resource-constrained population and those who have missed early interdisciplinary cleft care
