### Description

All of the exquisite full-color illustrations from **THIEME Atlas of Anatomy: Neck and Internal Organs** are available in digital format on the **THIEME Atlas of Anatomy Image Collection DVD**. This user-friendly DVD allows the user to import each image into presentation software (i.e. MS PowerPoint). Each illustration is available with or without labeling and captions.

The DVD is best used in conjunction with the **THIEME Atlas of Anatomy: Neck and Internal Organs**. All of the images on the DVD are organized according to the table of contents of the book. You can easily locate a particular illustration by referencing the DVD's table of contents, or by using the search function with keywords from the image legends and labels. You'll find thumbnail views of the illustrations with a page number beneath each image for convenient reference to the book.

Practitioners, researchers, and faculty members can use this outstanding collection of original artwork to add a brilliant visual dimension to their lectures and presentations.
