Price : \$104.99

### Description

*Clinical Laryngology* addresses the practical issues faced by residents and seasoned practitioners in managing patients with diseases of the larynx. It is a concise manual covering common, everyday procedures that residents must master and provides all the up-to-date information needed by otolaryngologists caring for patients with laryngeal pathology.

#### Key Features:

- ▶ Contains chapters on dysphagia, aspiration, tracheotomy, and cough
- ▶ Includes more than 100 high-quality illustrations and clinical photographs that clarify the information in the text
- ▶ Written and edited by renowned experts in the field of laryngology

This clinical resource is the go-to book that residents, fellows, and practicing otolaryngologists will consult when they are in need of practical guidance on managing cases of laryngeal pathology in the course of their practice.
