

SYNFACTS

Highlights in Chemical Synthesis

Volume : 19

Year : 2023

ISSN : 1861-1958

Description

Subscribe today and receive up to 20% off your first year's subscription! Applies for Individuals only.

In SYNFACTS, current research results in chemical synthesis from the primary literature are screened, selected, evaluated, summarized, and enriched with personal comments by experts in their fields on a monthly basis.

SYNFACTS addresses the needs of synthetic chemists in academia (including students) and industry. SYNFACTS will help readers to know, learn, and think more about their own field as well as neighboring disciplines. SYNFACTS will stimulate the reader's research and the development of exciting new ideas. With the high quality presentation of each individual summary, SYNFACTS is also aiming to support teaching and lecturing activities as well as examination preparation.

SYNFACTS offers the reader summaries of the current most significant results from the primary literature in the following thematic categories:

- ▶ Synthesis of Natural Products
- ▶ Synthesis of Heterocycles
- ▶ Synthesis of Materials and Unnatural Products
- ▶ Metals in Synthesis
- ▶ Polymer-Supported Synthesis
- ▶ Organo- and Biocatalysis
- ▶ Innovative Drug Discovery and Development
- ▶ Peptide Chemistry

▸ Flow Chemistry

Individual Rates: Personal subscription orders can only be placed by individuals and must include the recipient's name and personal address. Must be for individual use only and paid for by personal funds of the individual. Only qualified professionals and students are eligible for individual subscriptions.

For **institutional subscriptions**, please contact Institutional Sales for pricing at:

- In US, Canada, South and Central America, please contact esales@thieme.com.
- In Europe, Asia, Africa and Australia, please contact eproducts@thieme.de.

Please read our complete Terms of Trade for journal subscription policies.

Journal subscribers will receive a separate invoice and confirmation for your subscription order with taxes broken down separately as applicable and appropriate for your region
