

## Thrombosis and Haemostasis

International Journal for Vascular Biology and Medicine

Volume : 123

Year : 2023

ISSN : 0340-6245

### Description

Subscribe today and receive up to 20% off your first year's subscription! Personal subscriptions only.

**IMPACT FACTOR 2021: 6.83**

*Thrombosis and Haemostasis* publishes reports on basic, translational and clinical research dedicated to novel results and highest quality in any area of thrombosis and haemostasis, vascular biology and medicine, inflammation and infection, platelet and leukocyte biology, from genetic, molecular & cellular studies, diagnostic, therapeutic & preventative studies to high-level translational and clinical research. The journal provides position and guideline papers, state-of-the-art papers, expert analysis and commentaries, and dedicated theme issues covering recent developments and key topics in the field.

*Thrombosis and Haemostasis* provides a forum for the exchange of ideas and concepts fostering cross-disciplinary insights in basic and clinical research. The journal is published monthly in print and online via [Thieme E-Journals](#). It is covered in the main abstracting and indexing services worldwide. *Thrombosis and Haemostasis* is accompanied by [TH Open](#), an Open Access journal for original basic research and clinical studies, review articles, letters to the editor, and case reports in vascular biology and medicine.
