The *Journal of Coloproctology (JCOL)* is a quarterly scientific publication of the Brazilian Society of Coloproctology. The journal aims to publish articles that may contribute to the improvement and the development of the practice, research, and teaching of coloproctology and related specialties.

***JCOL* requires that authors follow the ICMJE (International Committee of Medical Journal Editors) recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly work in Medical Journals. More information can be found here: <http://www.icmje.org>**
