Journal of Diabetes and Endocrine Practice (JDEP), a publication of the Gulf Association of Endocrinology and Diabetes (GAED). *JDEP* is a quarterly peer-reviewed online journal. The journal allows free access (Open Access) to its contents and permits authors to self-archive final accepted version of the articles on any OAI-compliant institutional / subject-based repository. The journal covers technical and clinical studies related to health, ethical and social issues in the field of endocrinology and diabetes. *JDEP* is a specialized journal that serves endocrinologists/diabetologists in the Gulf and Middle East regions. *JDEP* aims to publish high-quality articles of various types in the areas of endocrinology, diabetes and metabolism. Articles with clinical interest and implications will be given preference.

Abstracting and indexing:

EBSCO, ProQuest
